

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete

[Pre-Chorus] Bm F#m Em G-A || Keane ||
Oh, simple thing, where have you gone
I'm getting old and I need
something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need
somewhere to begin

Somewhere
Only We Know

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love
Is this the place that I've been [Intro]
dreaming of (x2)

[Pre-Chorus] D F#m
[Chorus] (Em D-A x3) Em As4-A
Em F#m - (Em F#m Em A)

And if you have a minute, why don't we go
Talk about it somewhere only we know
This could be the end of everything
So why don't we go (somewhere only we know
Somewhere only we know (x1))

[Pre-Chorus] [Chorus] () (so why don't we go)
