

## Beacon - Matt Duncan

[Verse] D#m7 G#7 C#M7 Bbm [Intro] C# C#M7  
I got friends in New York City C# Bbm  
Cos everyone I know left town  
That's the place your day lit dreams go  
Where you can't see the sun go down

[Chorus] D#m7 Fm7 Bbm D# - D#m G#7 ( )  
Hold your head up, you're a beacon  
(You pull me (northward) in my car)  
(You don't have to hit the big time),  
baby - We know who you are

[Intro]

I got friends in LA County  
Where the hillsides shine like stars  
And the people float like gold dust  
Through the red rope district bars

[Chorus] (C# Bbm) ((westward)) (...)

[Chorus] (C# Bbm-X) (Don't let them think  
you've come that far) (You were  
always standing in the spotlight)

[Solo - Verse] (x2)

[Outro - Chorus - Arp] (C# Bbm x8)  
It's getting cold out on that big lake  
And the water's painted blue  
Don't let the skyline fool you, baby  
You know what to do (x5)
