You fill me up with joy and every moment's a surprise
You set me free from Babylon,
you make me leave this place for miles
You're no illusion-a, so no, you are the truth
Never forget, it's a-(you always you x3), wehe

Jah Jah, almighty one who art in a-mount Zion
I beg you guide and protect-a, protect the woman
Me call queen of queens and dream of dreams,
lioness, reflection of Patrice
You're right, the world restricts the sense
but I think you know what I mean
