

# Linger - The Cranberries

If you, if you could return [Intro]  
Don't let it (burn/fade) (x2) (x2)  
I'm sure I might be rude G G D D  
but it's just your attitude F F C C  
It's tearing me apart,  
it's ruining everything  
And I swore, I swore I would be true  
And honey, so did you  
So why were you holding her hand,  
is that the way we stand  
Were you lying all the time,  
was it just a game to you

((But) I'm in so deep) [Hook]  
You know I'm such a fool for you  
You've got me wrapped around your finger  
(Do you have to x1~3) let it linger (x2)

Oh, I thought the world of you  
I thought nothing could go wrong [Hook]  
But I was wrong, I was wrong ((And))  
If you, if you could get by [Intro]  
Trying not to lie [Hook]  
Things wouldn't be so confused [Hook]  
and I wouldn't feel so used ()  
But you always really knew, [Intro]  
I just wanna be with you (x2)
