

Be My Baby - The Ronettes

[Verse] (A A Bm E7 x2)

C# C#7 F# F#7 - B B7 E E7

The night we met, I knew I
Needed you so

[Intro]

And if I had the chance, I'd

A A

Never let you go

So won't you say you love me

I'll make you so proud of me

We'll make 'em turn their heads

Every place we go

[Hook] A A F#m F#m

(So won't you please)

D D E7 E7

Be my, be my, be my little baby

My one and only, say you'll be

my darlin'

..., be my, be my baby now - (Oh x4)

I'll make you happy, baby

Just wait and see

For every kiss you give me

I'll give you three

Oh, since the day I saw you

I have been waiting for you

You know, I will adore you

[Hook]

Till eternity

(.../) (x2)
