

Just tell me what you've got to say to me  
I've been waiting for so long  
to hear the truth

Your Woman

It comes as no surprise at all you see

So cut the crap and tell me  
that we're through

White Town

Now I know your heart, I know your mind

You don't even know you're being unkind

So much for all your highbrow Marxist ways

Just use me up and then you walk away

Boy, you can't play me that way [Intro]  
(x2)

[Chorus] (B-Bb G# x2) - (Cm-G# Fm-Bb x4)

Well, I guess what you say is true

I could never (be the right [Intro]  
kind of girl for you) (x3)

(I could never be your woman - ... x4) Cm-G#  
Fm-Bb

When I saw my best friend yesterday

She said she never liked you from the start

Well, me, I wish that I could claim the same

But you always knew you held my heart

And you're such a charming, handsome man

Now I think I finally understand

Is it in your genes, I don't know

But I'll soon find out, that's for sure

Why did you play me this way

[Intro] (x2) [Chorus] [Intro] (x4)
