

Chill out, whatcha yellin' for [Verse] B B G#m G#m  
Lay back, it's all been done before E E F# F#  
And if you could only let it be - You would see  
I like you the way you are  
When we're drivin' in your car  
And you're talkin' to me one-on-one  
But you become [Pre-Chorus]

E E G#m G#m  
E E F#-X X  
Somebody else 'round everyone else  
You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool  
To me, tell me

[Chorus]  
Why'd you have to go and make (G#m E B F# x3)  
things so complicated C#m C#m E-X X

I see the way you're  
Actin' like you're somebody else [Intro] (x4)  
gets me frustrated G#m E B F#

Life's like this, you  
And you fall and you crawl and you break  
And you take what you get and you turn it into  
Honesty and promise me, I'm never gonna find  
You fake it, no, no, (no)

[Fill] B B

You come over unannounced  
Dressed up like you're somethin' else  
Where you are and where it's at  
You see, you're makin' me  
Laugh out when you strike your pose  
Take off all your preppy clothes  
You know, you're not foolin' anyone  
When you become [Pre-Chorus]
