

[Verse] (B B C# C# x3) - B B Bbm Bbm

She love to party - Have a good time

She looks so hearty - Feeling fine

She loves to smoke

Sometime shifting coke [Chorus]

She'll be laughing when (x2)

There ain't no joke B B C# C#

A pimper's paradise

[Bridge] That's all she was (now/...)

F# C# D#m B

(Every need got an ego to feed - ... x2)

She loves to model

Up in the latest fashion

She's in the scramble

And she moves with passion

She's getting high - Trying to fly the sky

Now she is bluesing

When there [Chorus] (x2) [Bridge]

ain't no blues [Chorus]

[Outro]

A pimper's paradise B B C# C# - B B Bbm Bbm

I'm sorry for the victim now

Soon their heads, soon their heads

Soon their, soon their very heads will bow

Pimper's paradise, don't lose track

Don't lose track of yourself, oh, no

Pimper's paradise, don't be just a-stuck

D#-stuck on the shelf, stuck on the shelf

Pimper's paradise - That's all she was now

A pimper's paradise - Be careful (x2)
