

(Only Rasta (can liberate)/Jah free) the [Ho-
people - Over hills and valleys too ok]
Don't let them fool you, don't believe (x2)
For a minute (that they are with you/
they don't like you)

Hills and Valleys Buju Banton
--

Why try to make I unhappy [Verse]

Really, I don't know

If it was up to them, my friend

We would never see the sun nor the snow

Through that mystical communication within

We keep on coming together (x2)

I love to see brothers and sisters [Intro]

Looking out for one another - That's C#m C#m

the way it should be, not contrary A G#m

Stop tearing down each other

[Hook]

[Bridge] (B B C#m C#m x2) - B B F#m F#m (free)

Hard drugs won't do G#m G#m F#m G#m

You're just behaving like they want you to

Arrogance is much different from ignorance

And I know you feel the same way too

Many live this life without having a clue

No reason why they are so sad and blue

Places to go, so much things to do [Hook]

Not a moment to reflect on (x2)

the cycle of life, yeah (Oh, free/...)

(It hard (x3), (yeah/let them know)

(Make/Let/Let) them know we waan go [Hook]

home a-we yard x3) (free)

It hard (x3), oh God [Verse] [Hook] (x2)

We waan go home (Look around who free/...)
