Hush, don't speak
When you spit your venom, keep it shut
I hate it when you hiss and preach
About your new messiah
'cause your theories catch fire

I can't find your silver lining [Pre-
I don't mean to judge Chorus]
But when you read your speech, it's
tiring - Enough is enough
[Chorus]
(I'm) covering my ears like a kid
When your words mean nothing, I go lalala
I'm turning up the volume when you speak
'Cause if my heart can't stop it, I'll
find a way to block it, I go
[Link]
If our love is running out of time
I won't count the hours, rather
be a coward - When our words collide
I'm gonna drown you out,
before I lose my mind [Pre-Chorus]
[Chorus]
