 The things I gave up for search (.../oohohh)
 'cause I deh things I no go' find (x3~1~4)
 But how could I find
 when there's no light inna mi night, I seh
 How could I find
 when there's just clouds and no sunshine
 You fill me up with joy and every moment's a surprise
 You set me free from Babylon,
 you make me leave this place for miles
 You're no illusion-a, so no, you are the truth
 Never forget, it's a-(you always you x3), wehe

Nanana, nanana na wehe [Chorus] (x2)
 Always you, always you, my sweet dream, (wehe/...)

Oh yes, you are mi earth and you make me give birth
 To melodies and thoughts enliven by your love
 I'm a global villager but you give me home
 Wherever I-a wander, wherever I-a roam
 While I write this-a song,

Patrice
You Always You

 the world around me disappears
 I dig inna my thoughts
 and I speak this-a noiseless prayer
 Lord of lords and king of kings, seh conquering lion
 Jah Jah, almighty one who art in a-mount Zion
 I beg you guide and protect-a, protect the woman
 Me call queen of queens and dream of dreams,
 lioness, reflection of Patrice
 You're right, the world restricts the sense
 but I think you know what I mean
 I mean what I really mean when I call [Chorus] (x4)
 you my sweet dream, wehe [Intro] (x2)
 [Verse #1] [Chorus] (x4)
