

# Tell It to My Heart - Taylor Dayne

[Verse] (Bm A F#m Bm x2) - G A F#m Bm  
I feel the night explode G Em F# F#

When we're together

Emotion overload - In the heat of pleasure

Take me, I'm yours, into your arms

Never let me go

Tonight, I really need to know

[Chorus]

Tell it to my heart,

G A F#m Bm

tell me I'm the only one

Is this really love or just a game

Tell it to my heart, I can feel my body rock

Every time you call my name

The passion's so complete

[Intro] (x2)

It's never ending

Bm A F#m Bm

As long as I receive

The message you're sending

Body to body, soul to soul

[Chorus]

Always feel you near

[Solo

So, say the words I long to hear

Chorus]

Love, love on the run,

[Interlude - Chorus]

breaking us down

Though we keep holding on

I don't want to lose

[Break] G G-X

No, I can't let you go

[Chorus]

(Tell it to my heart,

[Link] (x3) [Chorus]
