

(Lala, lalala x2) [Intro] D# B F# C# (x2) [Link]  
 B C#  
 I wrote her off - For the tenth time today B C#  
 And practiced all - The things I would say  
 But she came over - I lost my nerve [Intro]  
 I took her back - And made her dessert (x2)  
 Oh, I know - I'm being used  
 That's okay, man - Cos I like the abuse  
 I know - She's playing with me  
 That's okay - Cos I've got no self-esteem Self  
 [Hook] ((Oh way/...), ohoh yeah - Yeah x1~3) The  
 || Esteem  
 || Offspring  
 We make plans - To go out at night  
 I wait 'til two - Then I turn out the light  
 This rejection's - Got me so low  
 If she keeps it up, I just [Hook]  
Might tell her so (G# E B F# x6)  
 [Chorus] G# E F# C# - B B B C#  
 When she's saying - Oh, that she wants only me  
 Then I wonder why - She sleeps with my friends  
 When she's saying - Oh, that I'm like a disease  
 Then I wonder - How much more I can spend  
 Well, I guess - I should stick up for myself  
 But I really think - It's better this way  
 The more you suffer - The more it shows  
 You really care - Right, yeah  
 [Intro]  
 Now I'll relate - This little bit (x2)  
 It happens more - Than I'd like to admit  
 Late at night - She knocks on my door  
 She's drunk again - And looking to score  
 Oh, I know - I should say no, but  
 It's kinda hard - When she's ready to go  
 I may be dumb - But I'm not a dweeb [Hook]  
 I'm just a sucker - With no self-esteem [Chorus]
