Habits Stay High - Tove Lo

I eat my dinner in my bathtub [Verse]
then I go to sex clubs E G#m
Watchin' freaky people gettin' it on E B
It doesn't make me nervous,
if anything I'm restless
Yeah, I've been around and I've seen it all
I get home, I got the munchies,
binge on all my Twinkies [Intro]
Throw up in the tub then I go to sleep E G#m
And I drank up all my money, E G#m
tastin' kind of lonely Oh oh (x3)

You're gone and I got to stay [Chorus]
(High all the time to keep you off E G#m
my mind - Ooh ooh, ooh ooh x2) B B
Spend my days locked in a haze,
tryin' to forget you babe
I fall back down, gotta stay
High all my life to forget I'm missing you
Ooh ooh, ooh ooh

Pick up daddies at the playground,
how I spend my daytime
Loosen up the frown, make 'em feel alive
I'll make it fast and greasy,
I'm numb and way to easy [Chorus]

Stayin' in my play pretend where the [Bridge
fun ain't got no end - Oh, ooh Chorus]
Can't go home alone again, need (x2)
someone to numb the pain
(Oh, ooh ooh/…) [Chorus] Oh oh
