

Back to Black - Amy Winehouse

He left no time to regret
Kept his dick wet
With his same old safe bet - ...
Me and my head high - And my tears dry
Get on without my guy - ...
You went back to what you knew [Intro]
So far removed C#m C#m
From all that we went through - ... F#m F#m
And I tread a troubled track A A
My odds are stacked G# G#
I'll go back to black

We only said goodbye with words [Chorus]
I died a hundred times
You go back to her [Break] X X
And I go back to I go back to

Us, I love you much - It's not enough
You love blow - And I love puff
And life is like a pipe [Chorus]
And I'm a tiny penny (x2)
Rolling up the walls inside [Break] X X

[Bridge] (C#m C#m AM7 AM7 - E E G# G# x2)
Black (x7) - I go back to (x2) X X

[Chorus] (x2) [Outro] C#m-X - Black
