

(Only Rasta (can liberate)/Jah free) the [Ho-
people - Over hills and valleys too ok]
Don't let them fool you, don't believe (x2)
For a minute (that they are with you/
they don't like you)

Hills and Valleys Buju Banton
--

Why try to make I unhappy [Verse]
Really, I don't know
If it was up to them, my friend
We would never see the sun nor the snow
Through that mystical communication within
We keep on coming together (x2)
I love to see brothers and sisters [Intro]
Looking out for one another - That's F#m F#m
the way it should be, not contrary D C#m
Stop tearing down each other

[Hook]

[Bridge] (E E F#m F#m x2) - E E Bm Bm (free)
Hard drugs won't do C#m C#m Bm C#m
You're just behaving like they want you to
Arrogance is much different from ignorance
And I know you feel the same way too
Many live this life without having a clue
No reason why they are so sad and blue
Places to go, so much things to do [Hook]
Not a moment to reflect on (x2)
the cycle of life, yeah (Oh, free/...)

(It hard (x3), (yeah/let them know)
(Make/Let/Let) them know we waan go [Hook]
home a-we yard x3) (free)
It hard (x3), oh God [Verse] [Hook] (x2)
We waan go home (Look around who free/...)
