

[Verse] (Gm Gm G# D# x2) - D# Gm C# Fm - (D# G# Gm-Bb D# x1)  
Everything's okay - Walks along the dock  
With some sailor's pay - Shoved down in his sock  
Everything's okay - With some little boy in blue  
Who don't know - You like I do  
Everything's okay - Took him back to town  
Well, I didn't get paid today  
So I'm in the lost and found  
And I wonder if that clown - Knows just what to do  
What to say - And what not to

[Chorus]

The pretty words that you whispered (Cm-B7 D# x2)  
Maybe I misunderstood Cm-B7 D#-D G# G#m  
Somebody's not paying attention what they promised D#7  
and their word - Isn't good

Everything's okay - I'm looking for you now  
Down here by the bay - Where the water pounds  
Up against the wall - That I'm coming to  
'Cause I can't stay - Away from you

Elliott  
Smith  
Everything's  
Okay

I don't need no satisfaction [Chorus]  
And I don't take just because I can  
Sometimes I get a strong impression that you just  
don't understand - That kind of man

[Intro]

(x2)

Everything's okay - I can see your face Gm Gm  
Down there in the waves - Painted and erased  
But I'm told it's just - The reflection of the moon  
A big fake - Resembling you

I'm gonna go down in the water [Chorus]  
And fill my mouth up full of sand  
And I'll be waiting still impatient with my  
dead imagination while you're with some other man

Everything's okay - I'll be with you soon [Verse] (x2)  
I'm walking out to place - My arms around the moon  
Yeah, I'll be with you soon - Just as soon as I pay  
I'll walk 'cross the water - Everything's okay  
Walk on the water - Everything's okay
