

I step off the train [Verse #1]
I'm walking down your street again
And past your door [Intro]
(But) you don't live there anymore G#m G#m
It's years since you've been there F# F#
And now you've disappeared somewhere
Like outer space
You've found some better place

(And I miss you ()) [Hook] (x2)
Like the deserts miss (the rain) G#m E F# C#m

Could you be dead
You always were two steps ahead Missing
Of everyone

We'd walk behind while you'd run
I look up at your house
And I can almost hear you shout [Hook]
Down to me - Where I always used to be (x2)

Back on the train Everything
but the Girl
I ask why did I come again
Can I confess

I've been hanging 'round your old address
And the years have proved
To offer nothing since you moved
You're long gone - But I can't move on

[Verse #1] (I guess) [Hook] (x2)
[Hook] [Hook] (yeah) (how I miss you)
[Hook] [Hook] (yeah) (...)
[Hook] (x2) (Deserts miss the rain) (...)
