

[Intro] Bb Bb F F - Gm Gm D# D#

Well, I don't have as many friends because
I'm not as pretty as I was
I've kicked myself at times
Because I've lied
So I will have to learn to stand my ground
I'll tell 'em I won't be around
I'll move on over to your town and hide

The Captain
Kasey Chambers

[Chorus] (Bb Bb F F - Gm Gm D# D# x2)

((Bb Bb F F - D# D# x1) D# D# x1)

And you be the captain - And I'll be no one
And you can carry me away - If you want to
And you can lay low - Just like your father
And if I tread upon your feet
You just say so
(('Cause you're the captain, () I am no one
(I tend to feel as though I owe one to you)
(...) x1) - To you x1)

[Intro]

Well, I have handed all my efforts in
Searched here for my second wind
Is there somewhere here to let me in - I asked
So I slammed the doors they slammed at me
I found the place I'm meant to be
I figured out my destiny at last

[Chorus]
