

There's a place I go to, where no one knows me
It's not lonely, it's a necessary thing
It's a place I made up,
find out what I'm made of
The nights I've stayed up,
counting stars and fighting sleep

Matt Simons

[Pre-Chorus] (D# Fm Gm G# x2) - G#-X X
Let it wash over me, ready to lose my feet
Take me off to the place
where one reveals life's mystery
Steady on down the line,
lose every sense of time
Take it all in and wake up that small part of me
Day to day, I'm blind to see
and find how far to go
