

# While My Guitar Gently Weeps

## The Beatles

[Verse] G#m G#m Fm7 EM7 - G#m F# C# D#  
G#m G#m Fm7 EM7 - G#m F# B D#

(I look at you all - See the love  
there that's sleeping)

While my guitar gently weeps - ... G#m G#m  
(I look at the floor Fm7 EM7  
And I see it needs sweeping) G#m F#  
Still my guitar gently weeps C# D#

[Chorus] G# Cm Fm Cm - Bbm Bbm D# D#  
I don't know why - Nobody told you  
How to unfold your love - ...  
I don't know how - Someone controlled you  
They bought and sold you

(I look at the world [Verse]  
And I notice it's turning)  
(With every mistake [Solo  
We must surely be learning) Verse]

I don't know how - You were diverted  
You were perverted too - ...  
I don't know how - You were inverted  
No one alerted you

[Verse] (...) [Solo]  
(Love, look at you all) (x2)
