[Verse] A7 D Bm7 E7 - A7 D Gm7 Gm7
Gm7 C Fm7 F#m7 - A7 D Gm7 B7

You let those people see - Just who you wanna be
And every night you shine - Just like a superstar
The type of life that's played

A temptin' masquerade [Intro] (x2)
You dress, you walk, you talk Em7 Em7
You're who you think you are Am7 Am7

Street life - You can run away from time [Chorus]
Street life - For a nickel or a dime
Street life - But you better not get old
Street life - Or you're gonna feel the cold

There's always love for sale
A grown-up fairy tale
Prince charming always smiles
Behind a silver spoon
And if you keep it young
Your song is always sung
Your love will pay your way
Beneath the silver moon
