

(Lala, lalala x2) [Intro] G# E B F# (x2) [Link]
E F#

I wrote her off - For the tenth time today E F#
And practiced all - The things I would say
But she came over - I lost my nerve [Intro]
I took her back - And made her dessert (x2)
Oh, I know - I'm being used
That's okay, man - Cos I like the abuse
I know - She's playing with me
That's okay - Cos I've got no self-esteem Self
|| Esteem

[Hook] ((Oh way/...), ohoh yeah - Yeah x1~3) The
|| Offspring

We make plans - To go out at night
I wait 'til two - Then I turn out the light
This rejection's - Got me so low
If she keeps it up, I just [Hook]
Might tell her so (C# A E B x6)

[Chorus] C# A B F# - E E E F#

When she's saying - Oh, that she wants only me
Then I wonder why - She sleeps with my friends
When she's saying - Oh, that I'm like a disease
Then I wonder - How much more I can spend
Well, I guess - I should stick up for myself
But I really think - It's better this way
The more you suffer - The more it shows
You really care - Right, yeah

[Intro]
(x2)

Now I'll relate - This little bit
It happens more - Than I'd like to admit
Late at night - She knocks on my door
She's drunk again - And looking to score
Oh, I know - I should say no, but
It's kinda hard - When she's ready to go
I may be dumb - But I'm not a dweeb [Hook]
I'm just a sucker - With no self-esteem [Chorus]
