[Verse] [Intro] (x4)
When you're on a holiday D#m-G#m
You can't find the words to say C#-F#
All the things that come to you Hip
And I wanna feel it too hip

On an island in the sun [Chorus]
We'll be playin' and havin' fun
And it makes me feel so fine
I can't control my brain

When you're on a golden sea (x2)
You don't need no memory
Just a place to call your own
As we drift into the zone

[Chorus]

We'll run away together [Intro]
We'll spend some time forever (x2)
