

Until the philosophy [Intro] G#m F#7
 Which hold one race superior G#m F#7
 And another - Inferior
 Is finally - And permanently
 Discredited - And abandoned
 Everywhere is war - Me say war
 That until there're no longer
 First-class and second-class citizens
 Of any nation
 Until the color of a man's skin
 Is of no more significance
 Than the color of his eyes - Me say war
 That until the basic human rights
 Are equally guaranteed to all
 Without regard to race - G-dis a war
 That until that day - The dream of lasting peace
 World citizenship - Rule of international
 Morality - Will remain in but a fleeting illusion
 To be pursued - But never attained
 Now everywhere is war - War
 And until the ignoble
 And unhappy regime that hold our brothers
 In Angola - In Mozambique
 South Africa - Sub-a-human bondage
 Have been toppled - Utterly destroyed
 Well, everywhere is war - Me say war
 War in the east - War in the west
 War up north - War down south
 War, war - Rumors of a-war
 And until that day - The African continent
 Will not know peace - We Africans will fight
 We find it necessary - And we know we shall win
 As we are confident - In the victory
 Of (good over evil - Good over evil, yeah x4)
