

You gotta know, I'm feeling love [Chorus]  
Made of gold, I'll never love a C#m B  
'Nother one, another you F# A  
It's gotta be love, I said it

([Chorus - Line #1] - ... x2) [Chorus]

I might as well be in a garden - ...  
I said, uh, a smell in the air  
is a dripping rose || Gold  
You can be the one for me || Chet Faker  
Another soul to be my void then - ...  
Of anything there that's made of gold

A physical kiss is nothing without it - ...  
And you close your eyes to see  
what it's done - ...  
The body that lies is built upon looking  
... - Is all that remains  
before it's begun [Chorus] (x2)

A heart will swell before it's hardened  
... - With the flick of the hair  
it can make you old - ...  
Another hole to dig my soul in - ...  
I'll leave anything bare [Link]  
that keeps me sole [Chorus] (x3)
