

[Verse] Fm7 C# G# D#6 - Fm7 C# G#-C C#

Drink up, baby, stay up all night

With the things you could do,

you won't but you might

The potential you'll be

that you'll never see

The promises you'll only make

Drink up with me now and forget all about

The pressure of days, do what I say

And I'll make you okay and drive them away

The images stuck in your head

Between  
the Bars

That you don't want around anymore

That push and shove and won't bend

to your will - I'll keep them still

Drink up, baby, look at the stars

I'll kiss you again between the bars

Where I'm seeing you there

with your hands in the air

Waiting to finally be caught

Drink up one more time

and I'll make you mine

Keep you apart, deep in my heart

Separate from the rest

where I like you the best

And keep the things you forgot
