

I saw the part of you [Verse] [Intro]
 That only when you're older G#m G#m
 You will see too (x2) E E
 I held the better cards B B
 But every stroke of luck F# F#
 (Has/It's) gotta bleed through (x2)
 You held the balance of the time
 That only blindly
 (.../But) I could read you (x2)
 It's like you told me - Go forward slowly
 It's not a race to the end

() Well, you look like yourself [Hook]
 But you're somebody else
 Only it ain't on the surface - ... Flora
Cash
 () Well, you talk like yourself
 (No), I hear someone else
 (Though) now you're making me (nervous x1)

Mmmh (x4) You were the better part
You're
Somebody
Else Of every bit of beating heart
 That I had - Whatever I had
 I finally sat alone
 Pitch black, flesh and bone
 Couldn't believe that you were gone

[Hook] (Mmmh) (.../So) (.../But) (x1~2) (x2)
 Mmmh (x4) - (Where are x1~3) we (x1~2~1)
