

[Intro] A A E E - F#m F#m D D

Well, I don't have as many friends because  
I'm not as pretty as I was  
I've kicked myself at times  
Because I've lied  
So I will have to learn to stand my ground  
I'll tell 'em I won't be around  
I'll move on over to your town and hide

The Captain  
Kasey Chambers

[Chorus] (A A E E - F#m F#m D D x2)  
(A A E E - D D x1) D D x1)

And you be the captain - And I'll be no one  
And you can carry me away - If you want to  
And you can lay low - Just like your father  
And if I tread upon your feet  
You just say so  
(('Cause you're the captain, () I am no one  
(I tend to feel as though I owe one to you)  
(...) x1) - To you x1)

[Intro]

Well, I have handed all my efforts in  
Searched here for my second wind  
Is there somewhere here to let me in - I asked  
So I slammed the doors they slammed at me  
I found the place I'm meant to be  
I figured out my destiny at last [Chorus]
