

Black Hole Sun - Soundgarden

In my eyes, indisposed [Verse]
In disguises, no one knows F# A E D#m
Hides the face, lies the snake D C# F# G-X
And the sun in my disgrace
Boiling heat, summer stench
Neath the black, the sky looks dead
Call my name through the cream
And I'll hear you scream again [Break] X

[Chorus] D C# F#-E A - D C# (B C#-X)
Black hole sun, won't you come
And wash away the rain
Black hole sun, (won't you come x3) [Break]

Stuttering, cold and damp [Intro]
Steal the warm wind, tired friend F# A
Times are gone for honest men E D#m
Sometimes far too long for snakes D C#-X
In my shoes, a walking sleep X
And my youth, I pray to keep
Heaven sent hell away [Break]
No one sings like you anymore [Chorus] (x2)

[Chorus #2] (B A C# - B F#m C# x2) (x5)

[Interlude] (F#-F E x6) - F#-X X

Hang my head, drown my fear [Verse]
Till you all just disappear F# A E D#m-X - X

[Chorus] (x2) [Chorus #2] (x9) - F#-F E F#
