

((I play the/...) street life [Chorus]
 (Because there's no place I can go/ D#m7 D#m7
 It's the only life I know/ G#m7 G#m7
 And there's a thousand cards to play/ Bbm7 Bbm7
 Until you play your life away) x1~3) D#m7 D#m7

[Verse] G#7 C# Bbm7 D#7 - G#7 C# F#M7 F#M7
 F#m7 B EM7 Fm7 - G#7 C# F#M7 Bb7

You let those people see - Just who you wanna be
 And every night you shine - Just like a superstar
 The type of life that's played

A temptin' masquerade [Intro] (x2)
 You dress, you walk, you talk D#m7 D#m7
 You're who you think you are G#m7 G#m7

Street life - You can run away from time [Chorus]
Street life - For a nickel or a dime
Street life - But you better not get old
Street life - Or you're gonna feel the cold

There's always love for sale
 A grown-up fairy tale
 Prince charming always smiles
Behind a silver spoon
 And if you keep it young
 Your song is always sung
 Your love will pay your way
Beneath the silver moon
