

Dreadlocks the Time Is Now

The Gladiators

I had a vision [Intro] F#m F#m
Last night F#m F#m
That I was walking Bm E
On a street of gold F#m F#m
This dream that I saw
Is where I and I should have been
So let's unite and stand up
Fight for our rights [Chorus]
F#m E
Dreadlocks, the time is now F#m E
Stand up, fight for your rights
Or you ain't gonna get
your culture, man
Roots Natty, don't give up, oh, don't
...

If I am wrong
Be not afraid to say so [Chorus]
Is there any difference [Fill]
Between the human race (F#m E x2)
We are all of one skin [Intro]
Same blood, same soul [Chorus]
But there are some who think (x3)
Dreadlocks don't count
