

I was Cleopatra [Verse] F# F# B F# - B F# C# C#
I was young and an actress
When you knelt by my mattress - And asked for my hand
But I was sad you asked it
As I laid in a black dress
With my father in a casket - I had no plans

[Intro]

And I left the footprints
The mud stained on the carpet
And it hardened like my heart did - When you left town
But I must admit it
That I would marry you in an instant [Intro]
Damn your wife, I'd be your mistress (x2)
Just to have you around F# F# F# F#

(But I was) late for this, late for that [Chorus]
Late for the love of my life F#-C# B-F#
And when I die alone, when I die alone B-F# C#
When I die I'll be on time

Hahaa [Break] X

And while the church discouraged [Intro]
Any lust that burned within me
Yes, my flesh, it was my currency - But I held true
So I drive a taxi - And the traffic distracts me
From the strangers in my backseat
They remind me o' you [Chorus] [Fill] C#

And the only gifts [Bridge] D#m F# B-C# D#m - D#m
from my Lord F# D#m B-C# F# - F# F# F#
Were a birth and a divorce
But I've read this script and the costume fits
So I'll play my part

Cleopatra - The Lumineers

I was Cleopatra - I was taller than the rafters
But that's all in the past now - Gone with the wind
And now a nurse in white shoes
Leads me back to my guestroom
It's a [Rit] bed and a bathroom [Chorus] (I won't be)
And a place for the end [Break] [Outro] F#
