

(Lala, lalala x2) [Intro] G D# Bb F (x2) [Link]  
D# F

I wrote her off - For the tenth time today D# F  
And practiced all - The things I would say  
But she came over - I lost my nerve [Intro]  
I took her back - And made her dessert (x2)  
Oh, I know - I'm being used  
That's okay, man - Cos I like the abuse  
I know - She's playing with me  
That's okay - Cos I've got no self-esteem Self  
|| Esteem

[Hook] ((Oh way/...), ohoh yeah - Yeah x1~3) The  
|| Offspring

We make plans - To go out at night  
I wait 'til two - Then I turn out the light  
This rejection's - Got me so low  
If she keeps it up, I just [Hook]  
Might tell her so (C G# D# Bb x6)

[Chorus] C G# Bb F - D# D# D# F

When she's saying - Oh, that she wants only me  
Then I wonder why - She sleeps with my friends  
When she's saying - Oh, that I'm like a disease  
Then I wonder - How much more I can spend  
Well, I guess - I should stick up for myself  
But I really think - It's better this way  
The more you suffer - The more it shows  
You really care - Right, yeah

[Intro]  
(x2)

Now I'll relate - This little bit  
It happens more - Than I'd like to admit  
Late at night - She knocks on my door  
She's drunk again - And looking to score  
Oh, I know - I should say no, but  
It's kinda hard - When she's ready to go  
I may be dumb - But I'm not a dweeb [Hook]  
I'm just a sucker - With no self-esteem [Chorus]
