

Could you tell where my head was at [Chorus]
when you found me - ...
Me and you went to hell and back just to find peace - ...
Man, I thought I had everything, I was lonely - ...
Now you're my everything, now it's on me - ...

I mixed a lot of love with a lot of drugs [Intro] (x2)
Then I found you FM7 FM7
She liked petty crimes, she had green eyes FM7 FM7
Like Mountain Dew Gm7 Gm7
And where she go, I'll never know Gm7 Gm7
Her friends bounced too
I guess it's their loss cos they'll never know
What we'll amount to

And would you be my light, be my yellow Hell-n-Back
P.Y.T. walking down Portobello

Put a smile on this face at the end of the day
MDMA helped us fly away Bakar
(Who'd have known, who'd have known
you would (save my life/fly my kite) x2)
Could you tell, could you tell - Could you tell

(Yea-ea-ea-ea-eah, he-he - (.../Yeah) x2~1~1) [Link]

I remember, I remember, I was all alone
Late night you would call my phone
Just to check if I was blessed cos you knew I was low
Head gone, rollin' off the throne
I remember, I remember, we was in the park
Late night, made love on the grass
Got my head in the clouds, countin' all my stars
In my ears, said the world was ours
Went to hell and back just to heal my wounds
Cos it gets like that wrong side of the moon
No Tutankhamun, you're my Cleopatra [Chorus]
No side thing, don't need a backup [Link]
Need a pro one, don't need a actor [Instru]
Her last one was fake, think he won a BAFTA (x2)
Come and be my girl - Yeah [Intro]
