

A club isn't the best place to find a lover [Verse]  
So the bar is where I go, mmh Bbm D#m F# G#  
Me and my friends at the table doin' shots  
Drinkin' fast and then we talk slow, mmh  
Come over, we'd start up a conversation with just me  
And trust me, I'll give it a chance now  
Take my hand, stop, put Van the Man on the jukebox  
And then we start to dance and now I'm singin' like

Girl, you know I want your love [Pre-Chorus]  
Your love was handmade for somebody like me  
Come on now, follow my lead - I may be crazy, don't mind me  
Say boy, let's not talk too much  
Grab on my waist and put that body on me  
((Well/Come), come on now, follow my lead x2), mmh

I'm in love with the shape of you [Chorus]  
We push and pull like a magnet do  
Although my heart is fallin' too  
I'm in love with your body  
And last night, you were in my room  
And now my bed sheets smell like you  
Every day, discoverin' somethin' brand new  
Well, I'm in love with your body

Shape of You Ed Sheeran
----------------------------

(Oh I (x4) - Well, I'm in love with your body x3) [Hook]  
Every day, discoverin' somethin' brand new  
I'm in love with the shape of (you)

One week in, we let the story begin  
We're goin' out on our first date  
You and me are thrifty, so go all-you-can-eat  
Fill up your bag and I fill up a plate  
We talk for hours and hours about the sweet and the sour  
And how your family is doin' okay  
And leave and get in a taxi and kiss in the back seat  
Tell the driver make the radio play  
and I'm singin' like [Pre-Chorus] [Chorus]  
[Hook]
