

[Verse] (Fm Fm F# C# x2) - C# Fm B D#m - (C# F# Fm-G# C# x1)
Everything's okay - Walks along the dock
With some sailor's pay - Shoved down in his sock
Everything's okay - With some little boy in blue
Who don't know - You like I do
Everything's okay - Took him back to town
Well, I didn't get paid today
So I'm in the lost and found
And I wonder if that clown - Knows just what to do
What to say - And what not to

[Chorus]

The pretty words that you whispered (Bbm-A7 C# x2)
Maybe I misunderstood Bbm-A7 C#-C F# F#m
Somebody's not paying attention what they promised C#7
and their word - Isn't good

Everything's okay - I'm looking for you now
Down here by the bay - Where the water pounds
Up against the wall - That I'm coming to
'Cause I can't stay - Away from you

Elliott
Smith
Everything's
Okay

I don't need no satisfaction [Chorus]
And I don't take just because I can
Sometimes I get a strong impression that you just
don't understand - That kind of man

[Intro]
(x2)

Everything's okay - I can see your face Fm Fm
Down there in the waves - Painted and erased
But I'm told it's just - The reflection of the moon
A big fake - Resembling you

I'm gonna go down in the water [Chorus]
And fill my mouth up full of sand
And I'll be waiting still impatient with my
dead imagination while you're with some other man

Everything's okay - I'll be with you soon [Verse] (x2)
I'm walking out to place - My arms around the moon
Yeah, I'll be with you soon - Just as soon as I pay
I'll walk 'cross the water - Everything's okay
Walk on the water - Everything's okay
