When the truth is found - To be lies
And all the joy - Within you dies

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to (love)

When the garden's flowers
They are dead, yes

Tears are running - They're all
running down your breast

And your friends, baby (loooooove)
They treat you like a guest
