

# Beacon - Matt Duncan

[Verse] Gm7 C7 FM7 Dm [Intro] F FM7  
I got friends in New York City F Dm  
Cos everyone I know left town  
That's the place your day lit dreams go  
Where you can't see the sun go down

[Chorus] Gm7 Am7 Dm G - Gm C7 ( )  
Hold your head up, you're a beacon  
(You pull me (northward) in my car)  
(You don't have to hit the big time),  
baby - We know who you are

[Intro]

I got friends in LA County  
Where the hillsides shine like stars  
And the people float like gold dust  
Through the red rope district bars

[Chorus] (F Dm) ((westward)) (...)

[Chorus] (F Dm-X) (Don't let them think  
you've come that far) (You were  
always standing in the spotlight)

[Solo - Verse] (x2)

[Outro - Chorus - Arp] (F Dm x8)  
It's getting cold out on that big lake  
And the water's painted blue  
Don't let the skyline fool you, baby  
You know what to do (x5)
