

Take this pink ribbon - Off my eyes [Intro]
I'm exposed - And it's no big surprise (x2)
Don't you think I know exactly - Where I stand B F#
This world is forcing me to hold your hand E F#

'Cause I'm just a girl - Oh, little old me [Chorus]
Well, don't let me out - Of your sight (G#m F#)
Oh, I'm just a girl - All pretty and petite E F#
So don't let me have - Any rights x4)
Ohhh - I've had it up to here E E A A

The moment - That I step outside [Intro]
So many reasons for me - To run and hide
I can't do the little things - I hold so dear
'Cause it's all those little things - That I fear

'Cause I'm just a girl - I'd rather not be
'Cause they won't let me drive - Late at night
Oh, I'm just a girl - Guess I'm some kind of freak
'Cause they all sit and stare - With their eyes
Oh, I'm just a girl - Take a good look at me
Just your typical prototype - ...
Ohhh - I've had it up to here [Solo] (x4)

[Link] G#m F# E F#
Ohhh - Am I making myself clear E E A A

[Intro]
(I'm just a girl - (.../In the world) x2)
That's all that you'll let me be

Oh, I'm just a girl - Living in captivity
Your rule of thumb - Makes me worrisome
Oh, I'm just a girl - What's my destiny
What I've succumbed to - Is making me numb
Oh, I'm just a girl - My apologies
What I've become - Is so burdensome
Oh, I'm just a girl - Lucky me
Twiddle-dum - There's no comparison
(Ohhh - I've had it up to x3) - Here

Just a Girl No Doubt

[Outro] G#m
