

Black-Eyed - Placebo

[Intro] (D# D# D# D# - G# G# G# G#
x2)

I was never faithful and
I was never one to trust - ...
Borderlining schizo and
guaranteed to cause a fuss ...
I was never loyal, except
to my own pleasure zone - ...
I'm forever black-eyed, a
product of a broken home - ...
(... - ... x2)

[Chorus]

I was never faithful and (x2)
I was never one to trust - ...
Borderline bipolar, forever
biting on your nuts - ...
I was never grateful, that's
why I spend my days alone ...
I'm forever black-eyed, a
product of a broken home
