

While My Guitar Gently Weeps

The Beatles

[Verse] F#m F#m D#m7 DM7 - F#m E B C#
F#m F#m D#m7 DM7 - F#m E A C#

(I look at you all - See the love
there that's sleeping)

[Intro]

While my guitar gently weeps - ... F#m F#m
(I look at the floor D#m7 DM7
And I see it needs sweeping) F#m E
Still my guitar gently weeps B C#

[Chorus] F# Bbm D#m Bbm - G#m G#m C# C#

I don't know why - Nobody told you

How to unfold your love - ...

I don't know how - Someone controlled you

They bought and sold you

(I look at the world [Verse]

And I notice it's turning)

(With every mistake [Solo

We must surely be learning) Verse]

I don't know how - You were diverted

You were perverted too - ...

I don't know how - You were inverted

No one alerted you

[Verse] (...) [Solo]

(Love, look at you all) (x2)
