

[Verse] Fm G# D# Fm - Fm G# D# Bbm [Intro] (x2) Fm G# D# Fm
The pictures tell the story, this life has many shades
I'd wake up every morning and before I'd start each day
I'd take a drag from last night's cigarette
that smoldered in its tray [Fill]
Down a little something and then be on my way Fm Fm

I traveled far and wide and laid this head in many ports
I was guided by a compass, I saw beauty to the north
I drew the tales of many lives and wore the faces of my own
I had these memories all around me so I wouldn't be alone

[Chorus] G# D# Bbm Fm - G# D# Bbm (Bbm) - (Fm G# Bbm Bbm>D#-Fm)
Some may be from showing up, others are from growing up
Sometimes I was so messed up and didn't have a clue
((I ain't winning no one over, I wear it just for you/
In a rose tattoo (x2)) - (I've got your name
written here in a tattoo) x2) [Intro]

This one's for (the mighty sea, mischief, gold and piracy/
the man that raised me, taught me sacrifice and bravery/
our favorite game, black and gold, we wave the flag/
my family name, with pride, I wear it to the grave) (x4)

[Chorus] (...) (.../G# D# Bbm Bbm-X - Fm) (x1~2) [Bridge] C# G# D# Fm
C# G# D# D#

This one means the most to me, it stays here for eternity
A ship that always stays the course,
an anchor for my every choice
A rose that shines down from above,
I signed and sealed these words in blood
I heard them once, sung in a song,
it played again and we sang along [Intro]
