 You came up from behind me and I knew Evelyn
 That our eyes were gonna meet Thomas
That's when I fell into your arms
Imagine my surprise
 I thought this only happened in fairy tales
 Love hit me right between the eyes, oh yeah

When you call me on the phone [Chorus #2]
 You make my spirits rise (hiiiiigh)
 I'm glad the others didn't last [Glissando]

 My heart just can't keep still, oh no (x2)

All the gold that's in Fort Knox [Chorus #2]
