

I step off the train [Verse #1]

I'm walking down your street again

And past your door [Intro]

(But) you don't live there anymore Fm Fm

It's years since you've been there D# D#

And now you've disappeared somewhere

Like outer space

You've found some better place

(And I miss you ()) [Hook] (x2)

Like the deserts miss (the rain) Fm C# D# Bbm

Could you be dead

You always were two steps ahead

Of everyone

We'd walk behind while you'd run

I look up at your house

And I can almost hear you shout [Hook]

Down to me - Where I always used to be (x2)

Back on the train

I ask why did I come again

Can I confess

I've been hanging 'round your old address

And the years have proved

To offer nothing since you moved

You're long gone - But I can't move on

[Hook]

[Verse #1] (I guess) (x2)

[Hook] [Hook] (yeah) (how I miss you)

[Hook] [Hook] (yeah) (...)

[Hook] (x2) (Deserts miss the rain) (...)

Missing

Everything
but the Girl
