

Beacon - Matt Duncan

[Verse] F#m7 B7 EM7 C#m [Intro] E EM7
I got friends in New York City E C#m
Cos everyone I know left town
That's the place your day lit dreams go
Where you can't see the sun go down

[Chorus] F#m7 G#m7 C#m F# - F#m B7 ()
Hold your head up, you're a beacon
(You pull me (northward) in my car)
(You don't have to hit the big time),
baby - We know who you are

[Intro]

I got friends in LA County
Where the hillsides shine like stars
And the people float like gold dust
Through the red rope district bars

[Chorus] (E C#m) ((westward)) (...)

[Chorus] (E C#m-X) (Don't let them think
you've come that far) (You were
always standing in the spotlight)

[Solo - Verse] (x2)

[Outro - Chorus - Arp] (E C#m x8)
It's getting cold out on that big lake
And the water's painted blue
Don't let the skyline fool you, baby
You know what to do (x5)
