

# Dreadlocks the Time Is Now

## The Gladiators

I had a vision [Intro] Em Em  
Last night Em Em  
That I was walking Am D  
On a street of gold Em Em  
This dream that I saw  
Is where I and I should have been  
So let's unite and stand up  
Fight for our rights [Chorus]  
Em D  
Dreadlocks, the time is now Em D  
Stand up, fight for your rights  
Or you ain't gonna get  
your culture, man  
Roots Natty, don't give up, oh, don't  
...

If I am wrong  
Be not afraid to say so [Chorus]  
Is there any difference [Fill]  
Between the human race (Em D x2)  
We are all of one skin [Intro]  
Same blood, same soul [Chorus]  
But there are some who think (x3)  
Dreadlocks don't count
