Didn't know what time it was,

lights were low-ow-ow

I lean back on my radio-o-oh

Some cat was laying down some rock'n'roll,

lotta soul, he said

Then the loud sound did seem to fa-a-ade

Came back like a slow voice

on a wave of pha-a-ase

That weren't no DJ that was hazy cosmic jive

Starman

[Chorus] (C Am Em-Em7 G-G7 x2) - F-Fm C-A Dm-G

(There's a) starman waiting in the sky

He'd like to come and meet us

but he thinks he'd blow our minds

There's a starman waiting in the sky

He's told us not to blow it

'cause he knows it's all worthwhile

He told me, let the children (lose/use) it (x2)

Let all the children boogie

[Instru]

Well, I had to phone someone F C G C - F C G

so I picked on you-ou-ou

Hey, that's far out, so you heard him too-oo-oo

Switch on the TV, we may pick him up

on Channel Two

Look out your window, I can see his li-i-ight

If we can sparkle, he may land toni-i-ight

Don't tell your papa or he'll get us

locked up in fright
