

Tell It to My Heart - Taylor Dayne

[Verse] (Cm Bb Gm Cm x2) - G# Bb Gm Cm
I feel the night explode G# Fm G G
When we're together
Emotion overload - In the heat of pleasure
Take me, I'm yours, into your arms
Never let me go
Tonight, I really need to know

[Chorus]
Tell it to my heart, G# Bb Gm Cm
tell me I'm the only one
Is this really love or just a game
Tell it to my heart, I can feel my body rock
Every time you call my name

The passion's so complete [Intro] (x2)
It's never ending Cm Bb Gm Cm
As long as I receive
The message you're sending
Body to body, soul to soul [Chorus]
Always feel you near [Solo
So, say the words I long to hear Chorus]

Love, love on the run, [Interlude - Chorus]
breaking us down
Though we keep holding on
I don't want to lose [Break] G# G#-X
No, I can't let you go [Chorus]
