

While My Guitar Gently Weeps

The Beatles

[Verse] Em Em C#m7 CM7 - Em D A B

Em Em C#m7 CM7 - Em D G B

(I look at you all - See the love
there that's sleeping)

[Intro]

While my guitar gently weeps - ... Em Em

(I look at the floor C#m7 CM7

And I see it needs sweeping) Em D

Still my guitar gently weeps A B

[Chorus] E G#m C#m G#m - F#m F#m B B

I don't know why - Nobody told you

How to unfold your love - ...

I don't know how - Someone controlled you

They bought and sold you

(I look at the world [Verse]

And I notice it's turning)

(With every mistake [Solo

We must surely be learning) Verse]

I don't know how - You were diverted

You were perverted too - ...

I don't know how - You were inverted

No one alerted you

[Verse] (...) [Solo]

(Love, look at you all) (x2)
